

Brown Science Prep

Student Application

Personal Information

Name: _____

Grade: _____

High School: _____

Phone number: _____

Email address: _____

Which branch of science are you most interested in and why?

What is your previous science background? (List any science classes you've taken in school or any science programs you've participated in).

Applications and forms should be brought to the next Brown Science Prep meeting that you attend.

Feel free to email us at brownscienceprep@gmail.com with any questions. Thanks for your interest!
